可视化检查和诊断Avalonia程序

The screenshot displays a developer tool interface with the following features and data:

- Asset Management:** A central grid view showing file assets. The columns are sorted by File Name, Relative Path, Assembly, and File Size. The rows show various files with their names, paths, and sizes (10mb).
 - Row 1: misc-icon (Icons/), misc-icon2 (Icons/), avalonia1.png (Branding/Images), codicon.ttf (Branding/Fonts)
 - Row 2: avalonia2.png (Branding/Images), roobert.ttf (Branding/Fonts)
- Left Sidebar:** A vertical sidebar with icons for navigation and settings, including a camera, file, search, and gear.
- Bottom Navigation:** A dark bar with tabs for LOGS, EVENTS, METRICS, BREAKPOINTS, and ACTIVITIES.
